Conc.: proposition 65 list

Dear Sir,

*Domo Sports&Leisure Grass declare that we have reviewed
The Proposition 65 list and we can conclude that our turf products; Varioslide
Supreme and Champion Supreme doesn't contain detectable chemical
components mentioned on the 65 list.
Varioslide has been tested according ESSM norm and been approved
(see attachment).
In attachment you will find also the heavy metal statements of our yarn suppliers
Wetekam and Bonar.
There is only carbon black in the primary backing at a concentration of 0-0,2% by
weight, but these components are encapsulated in polyolefin resins.*

*If you have further questions or require additional information, please feel free to
contact us.*

St.-Niklaas, 19/7/8
